

***Packing Them In: An Archaeology of Environmental
Racism in Chicago, 1865-1954***

by Sylvia Hood Washington, Ph.D.
Lexington Books, 2004

Index by S. Jane Henderson, Indexplorations

About the Index

In this monograph, Dr. Washington discusses the causes and effects of environmental racism. She also documents the efforts of European immigrants and African Americans to fight environmental racism in Chicago long before the birth of the modern Environmental Justice Movement.

The index style was established by The Rowman & Littlefield Publishing Group, Inc. The author was the client.
